

## A World of Chant

A World of Chant is a weekly one-hour radio show produced in Penticton British Columbia at Peach City Radio (CFUZ-FM). Host Ken Almond strives to bring the sounds of universal chanting to listeners. Chanting is a combination of the heartfulness of a sing-a-long with the ecstasy of a rock concert, and the spirituality of meditation. Take a journey from culture to culture, religious tradition to tradition, and experience the sound of universal chanting, some of which is thousands of years old. Chanting is a bridge between the world of spirit and the material world we live in and is good for the mind, body and soul.
