

## A World of Chant

A World of Chant is a weekly one-hour radio show produced in Penticton British Columbia at Peach City Radio (CFUZ-FM). Host Ken Almond strives to bring the sounds of universal chanting to listeners. Chanting is a combination of the heartfulness of a sing-a-long with the ecstasy of a rock concert, and the spirituality of meditation. Take a journey from culture to culture, religious tradition to tradition, and experience the sound of universal chanting, some of which is thousands of years old. Chanting is a bridge between the world of spirit and the material world we live in and is good for the mind, body and soul.

Title: **Sacred Devotional Acapella Songs**

Host: **Ken Almond**

Guest: **n/a**

**Description: Acapella singing is a genre unto itself and when sacred devotional songs are sung in the acapella style, the result is truly uplifting! Acapella is singing without instrumental accompaniment, some groups use their voices to emulate instruments, like a beat box, and some are more traditional and focus on harmonizing. Many combine both elements. This episode illustrates both styles.**
